

AMAL CHAND TP

FREELANCE DEVELOPER

ABOUT ME

Hi, I'm Amalchand TP, a passionate freelance web developer with a strong background in various computer skills. With years of experience in web development, I specialize in creating dynamic, responsive, and user-friendly websites that help businesses and individuals establish a strong online presence. Beyond web development, I possess expertise in UI/UX design, database management, cybersecurity, and software troubleshooting. My technical skills extend to programming languages like HTML, CSS, JavaScript, PHP, and Python, along with frameworks such as React, Laravel, and Node.js. I take pride in delivering high-quality solutions tailored to clients' needs, ensuring functionality, security, and a seamless user experience. Whether you're looking for a custom website, e-commerce platform, or a web application, I'm here to bring your vision to life.
